ABOUT COLLEGE

Idhaya College of Arts and Science for Women, a cherished gem affiliated with Pondicherry University, was brought into existence in 2004 by the devoted Franciscan Sisters of the Immaculate Congregation. Embodying the inspiring motto, "Arise and Shine," the college is dedicated to moulding young minds into vibrant agents of positive transformation for a brighter future. Exclusively catering to women, this esteemed institution prioritizes the empowerment of rural, underprivileged, and marginalized souls.

ABOUT DEPARTMENT

The Department of Computer Science was born in 2008, emerging with a lone staff member and a humble cohort of 38 eager students. That very year, it was graced with affiliation from Pondicherry University, blessed with a sanctioned strength of 50 Students. In the academic year of 2008-2009, we embarked on our journey with an initial enrollment of 38 bright minds. By 2015, our student intake blossomed to 75, and the following year, it flourished to 100. Today, our vibrant department nurtures 298 students each year, culminating in a proud total of 938 graduates who have triumphed in their academic endeavors.

OBJECTIVES OF THE CONFERENCE

- The goal is to provide a platform for students, researchers, and professionals to present their research and innovations.
- High-quality papers on the impact of Artificial Intelligence and Robotics are invited, with all submissions published in the proceedings.

TARGET PARTICIPANTS

- UG and PG students from national & international, and the faculty members.
- Research scholars and the research assistants.
